With the American Forces on
the Marne—Whether a monu-
mental feat or the big show,
the German onslaught today with
an impressive bombardment at
many points from Chalons to
Chateau-Thierry. The Americans
were heavily engaged at two
points, and conducted themselves
with great gallantry.The advance seems to have
started with three determined
thrusts. At each point gains in-
sured by the heavy bombardment
have been made, but at no place is
the line broken. The Marne has
been crossed in three places, but
the enemy's foothold is small.FRISCO TRAIN BOUND
